WANDIN YALLOCK OUTSIDE SCHOOL HOURS CARE

Special Term 2 Dance Program

During Term 2, on Monday afternoons our OSHC Program will be running a special dance program run by a experienced dance teacher starting from Monday 2nd May. The program will run from 3.45pm-4.45pm and be part of OSHC activities.

Your child can be involved in this even if you do not normally use our OSHC service. You just need to have them enrolled into our service. If your child is a regular attendee on Mondays and they do not wish to participate there will be other activities offered as usual.

The cost of the dance lessons are included in the \$25 after school care fee. If you are eligible for Child Care Subsidies, this could cost you as little as \$5 per week. It also includes afternoon tea before they start the lesson. Normally a 1 hour dance lesson would cost around \$15-\$25 per week.

The students will learn a dance routine to be performed at our end of term school assembly.

If you wish to enrol your child, please see the information below.

As a licensed Child Care provider, we require all guardians accessing our service to complete mandatory registration for their child to attend our care. This registration is a legal requirement for Wandin Yallock's Outside School Hours Care program to accept children into our care and give our staff all the necessary information so we can provide the best care for each child entering our doors.

Enrol your child through our secure online registration system via https://prodadmin.mvxpfor.com/enrollment_v2/centre/GIB94231EKQ4U6317JZLJH6w or contact Veronica in our school office on 5964 4276 for help with enrolling your child into our program.

Farm News

Welcome to Term 3! Winter has certainly been showing us its true glory this week with frosty mornings and glorious sunsets and sunrises. Kulin Indigenous calendar season - Waring. Season of cool, misty mornings, visiting wombats and wet days.

The cold and wet hasn't deterred students from launching straight back into Farm activities. The grade 5/6 students are running the school Chicken Care Program this term. The Foundation students have been practising their Horticulture skills and safe tool use to collect plant materials to add to the flower press for use later in the year. Our After-school care attendees helped harvest the pumpkins.

Both 1/2 classes have been working hard to plan, discuss and implement our new "Lunchbox garden"! They are all very proud to take ownership of this project and can't wait to see the new garden beds installed. The students have already begun constructing the foodcube wicking beds from Biofilta.

We are also very excited to be hosting our National Tree Day Event on Friday July 29th. AFL and Novas Jonathon Brown, along with Toyota will be joining us near the Stadium to plant trees and grasses in our Nature Play Forest near the stadium. We will also be hosting a TV crew for an upcoming reality TV show. We would love your assistance to plant, weed, spread mulch and put in tree guards on the day. See Xuno or contact the office for further details.

Winter health tip: Keep your gut health balanced with some pickled veg. Eat lots of citrus, garlic and winter greens. Take time to get fresh air and sunlight every day.

Connect with Nature

on National Tree Day

On Wednesday the 20th of July, we had our Round Robin sports day. We had three different teams playing 4 different sports.

Our football team went to Wandin east oval, there were four other teams. First we played both the Wandin North teams, we then played the mixed team which had three different schools making up one team. Then we played the last game against Seville, We got beaten in all four games but we still had fun. The highlight was at the end when we played Marks up, it was the best.

The second sport was netball. The netballers played at Seville netball courts, There they played 5 games and won 4 of them. First they played Don valley, then they played Seville and then won by a whopping 27 to 0, that's pretty good. They then played Wandin North Wombats and then they played Coldstream/Yering and it was a really close game. Coldstream/Yering won by only 2 points. They played their last game against Wandin North Wrens and had another win. The highlight of the day was playing with friends and getting some goals.

The last sports were T-ball and Volleystars, They were played here at our school. First they played Volley stars and they lost all three games, They then played T-ball and won their first game, they also won the last T-ball game. They did a great job at the T-ball and gave it their best shot at Volleystars. Even though they lost all of the volleystar games, Volleystar was their highlight.
