**Creativity, Achievement, Respect, Integrity, Nurture, Growth**

Dear students, parents and friends,

This week I have had the privilege of accompanying the 5/6s on their week-long tour of Canberra. The students are all having a great time, and although very tired, are learning so much. It's been wonderful to see their curiosity and enthusiasm at each venue and the insightful questions being asked of our guides. There have been too many highlights to pick just one. Camps like this provide a valuable opportunity for students to continue to develop their independence, self-reliance and social skills and these have certainly been on display. Trying new things, being away from home and making new friends from other schools are examples of growth of which the students should be proud.

Next Monday is the first day of our school review. As such, Darrell Mullins, the reviewer is interested in hearing from parents during a parent focus group on Monday afternoon. It will be held in the staff room at 3.10 and should be finished by the end of school. I hope you can come as your feedback is valued and can help inform the direction of the school over the next four years.

On Tuesday afternoon, you are invited to attend a three way conference with your child and their teacher. These brief 10 minute conversations are designed to set up the year's learning for your child and is a valuable opportunity for you to share information with the teacher that will assist them support your child in their learning. Please ensure you book a time slot online at [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) using the code zvx2k. Please note, Ms Myring will be conducting three way interviews on Tuesday, however she will be away for the rest of the week. Also, Mrs De Angelis is conducting interviews on Tuesday and Wednesday afternoons starting from 3.30.

Keep your fingers crossed for some nice weather to end next week because we are holding our first whole school working bee for the year on Friday afternoon. Students will be doing their bit from 2.30 and we would love lots of parents to join them either at 2.30 or after school. The more help we can get the more we can get done. I would encourage all families to attend at least one working bee throughout the year. Further working bees will be held on different days to allow for other family commitments.

Have a great weekend.

**Trevor Vass**  
Principal.

## OUTSTANDING ACHIEVEMENTS

|   |   |             |
|---|---|-------------|
|  | <p><b>TYLER B.</b></p> <p>Tyler has had the most wonderful start to Grade 1, and has most definitely been demonstrating our school CARING value of growth. He has taken on the role of Grade 1 leader proudly, and is being a great role model in the way he listens, learns, models excellent behaviour and works so hard. Tyler has also been stepping up to confidently face all the challenges that come with the many changes at the start of a new year. He has made new friends and is so considerate of everyone in our class. I'm very proud of you Tyler and you should be, too. You're going to have a great year!</p> | <b>F/1D</b> |

**IVY F.**

**F/1D**

Ivy has stepped into Prep so smoothly, despite starting the year with a broken collarbone! She has not let it be a barrier to her learning at all, and I have been so impressed with the way she has powered on, adapted and found ways to make sure she takes part in every activity fully. Ivy is a lovely friend to everyone, and started the year right from day one with everyone wanting to be her friend, which proves just how polite and respectful and caring she is. Ivy, you have started your school journey so well, and I'm looking forward to watching you grow in every way this year.

**TYLER M.**

**F/1G**

Who would have thought that this beautiful ray of sunshine has only been at our school for four weeks? Tyler has proven that he is a true Wandin Yallock student in every single way! He always goes out of his way to make sure others feel loved and are happy. I frequently have students and even teachers coming up to tell me that Tyler helped with something or did something caring for someone. Already in his short time at school, Tyler is focussed and pushing himself to go beyond the expectations set for the foundation students by working with his grade one peers to step it up. I cannot wait to see what the rest of year has in store for you, Tyler. Keep it up because you are a true star!

**ABBEY S.**

**2/3D**

Abbey has made a stellar start to grade 3. It is great to see her step up as a role model in our class. She is a quiet achiever who can be relied upon to undertake any task responsibly and with integrity. I have been particularly impressed with the way Abbey supports and encourages all members of our grade, often taking them under her wing. I look forward to seeing Abbey continue to shine as the year continues. Abbey, you are a star!

**SHELBY G.**

**4S**

What a fantastic start to grade 4. You have showed an exceptional work ethic to begin the year. You have strived to keep your learning to a high standard and pushed yourself to understand new and challenging concepts. You should be proud of your achievements in learning so early in the year. It is a pleasure to see a student so eager to learn and always wanting a new activity to work on. If this is how much you have grown already this year I can't wait to see how far you will go by the end of the year. Continue working hard Shelby and aim high.
